**COMMENTS ON EXAMINER'S AMENDMENT WITH THE NOTICE OF**  
**ALLOWABILITY**

Sir:

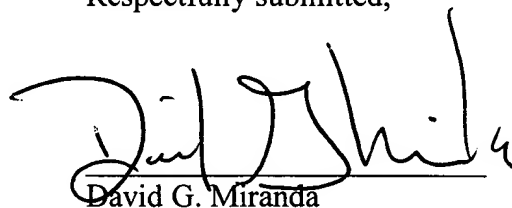

This is in response to the Notice of Allowability mailed on March 9, 2005. In particular, this is being written in response to the Examiner's Amendment. The undersigned did in fact authorize the cancellation of claims 1-8 and 16-21. The undersigned, however, never made any statement as to the reason for authorizing such an amendment. The Examiner added a note to the amendments that stated:

"Note. Claims 1-8 and 16-21 have been canceled because they read on Chen (US 2002/0018487)."

Neither the undersigned nor the Applicant stated this as a reason for cancellation. It is clear on the record that this is the Examiner's position. The undersigned and the Applicant, however, do NOT concede that Chen does in fact read on the canceled claims. Moreover, the undersigned and the Applicant do NOT concede that the canceled claims are not allowable in their unamended form.

It is respectfully requested that this paper be made part of the written record. The Examiner is welcome to contact Applicant's attorney at the number below with any questions.

Respectfully submitted,

David G. Miranda
